Correspondence to: N. L. Wagner (nick.wagner@noaa.gov)

In the article “In situ vertical profiles of aerosol extinction, mass, and composition over the southeast United States during SENEX and SEAC4RS: observations of a modest aerosol enhancement aloft” published in Atmos. Chem. Phys., 15, 7085–7102, 2015, the middle initial of the author D. A. Day was omitted from the author list. The corrected author list is shown above.
